LEAGUE RULES

WHAT TO KNOW ABOUT THE SSL

Two halves, each with an 20 minute running clock.

The clock will stop for all whistles in the last minute of the first half.

A shot clock that runs for 35 seconds.

Each team gets two 30 second timeouts per game.

Foul bonus kicks in at 7 team fouls. Foul shots are one shot for two points.

Each player gets five personal fouls per game.

All other IHSAA rules apply.

Clock is stopped after 18 minutes in the second half and the Elam Ending* is in effect, meaning no overtimes.

WHAT IS THE ELAM ENDING?

Popularized in the TBT and the NBA G League, with 2:00 remaining in the second half, the game clock stops. Time is no longer an element in winning the game.

The team that wins is the team that reaches the TARGET SCORE first.

The TARGET SCORE is calculated by adding 7 points to the score of the team that is ahead with 2:00 on the clock. Reach the target score and win the game.
