LEAGUE RULES WHAT TO KNOW ABOUT THE SSL

Two halves, each with an 20 minute running clock.

The clock will stop for all whistles only in the last minute of each of the halfs.

A shot clock that runs for 30 seconds.

Each team gets two 30 second timeouts per game.

Foul bonus kicks in at 7 team fouls per half. Foul shots are one shot for two or three points, no one and ones.

Each player gets five personal fouls per game.

All other IHSAA rules apply.

When the clock ends in the second half, the Elam Ending* is in effect, meaning no overtimes.

WHAT IS THE ELAM ENDING?

Popularized in the TBT and the NBA G League, with 2:00 remaining in the second half, the game clock stops. Time is no longer an element in winning the game. The team that wins is the team that reaches the TARGET SCORE first.

The TARGET SCORE is calculated by adding 7 points to the score of the team that is ahead when time runs out in the second half. Reach the target score and win the game.
